

Indoor Winter Location for the Greenbelt 545am Class - 2018/2019

Hello Boot Campers,

Below are the indoor winter location details for the 545am Greenbelt class. The class will move indoors to the Greenbelt Recreation Youth Center as of Monday, 10/1/2018, until Tuesday, 4/30/2019. Be prepared to come outdoors for the occasional runs and workouts during many of the warm days especially in Oct, Mar, and Apr.

Winter Location:

Greenbelt Recreation Youth Center
99 Center Way
Greenbelt, MD

Morning Classes from Greenbelt, MD:

Days: Mon, Tues, Thur, and Fri

Times: 545am to 645am

Instructor: Benjamin Brown

The class has access to this gym all year for inclement weather, and will meet inside the gymnasium during the winter/darker months from October through April. The gymnasium is positioned behind the outdoor pool of the swim center. Participants can park in the main lot then walk down the path just pass the pool, or it's better to enter the parking lot for the library (located to the left of the main lot) then drive to the bottom of the lot where the youth center is located next door. The later is the best option.

Thank you,

CD FIT, LLC
