

Indoor Winter Location for the Greenbelt Saturday Classes - 2018/2019

Hello Boot Campers,

Below are the indoor winter location details for the Greenbelt Saturday classes. Both classes will move indoors to the Greenbelt Recreation Youth Center as of Saturday, 11/3/2018, until Saturday, 3/30/2019.

Winter Location:

Greenbelt Recreation Youth Center
99 Center Way
Greenbelt, MD

Morning Classes from Greenbelt, MD:

Days: Every Saturday

Times: 630am to 730am and 730am to 830am

Instructor: Benjamin Brown

The class has access to this gym all year for inclement weather, and will meet inside the gymnasium during the winter/darker months from November through March. Can move inside sooner if needed.

The gymnasium is positioned behind the outdoor pool of the swim center. Participants can park in the main lot then walk down the path just past the pool, or it's better to enter the parking lot for the library (located to the left of the main lot) then drive to the bottom of the lot where the youth center is located next door. The later is the best option.

Thank you,
